Dear NOHA:

RE: Ontario Not-For-Profit Corporations Act (ONCA)

Our office met with the NOHA Board of Directors on October 28th, 2023 to discuss the ONCA changes. This letter is to confirm that the Ontario Not-for-Profit Corporations Act (ONCA) was proclaimed on **October 19, 2021**. We confirm that all Not-for-Profit Corporations had three years after the proclamation to transition to the new rules.

As the three-year grace period has lapsed we are reaching out to recommend that you obtain legal counsel to have your governing documents reviewed now and amended to meet the requirements of the new legislation. Our firm has extensive experience in transitioning governing documents to be ONCA compliant. Should you wish to retain our office we would be happy to meet with you to discuss these changes and what the Corporation may be missing.

We also understand that NOHA is involved with organizations who have yet to be incorporated. Our firm can also assist those organizations with incorporation. We highly recommend all organizations incorporate, to reduce the personal liability of Directors.

Please contact all organizations in the NOHA with this information as soon as possible.

Should you have questions or concerns, please do not hesitate to contact the undersigned.

Yours very truly,

**C. JOHN D'AGOSTINO LAW
